(4) NASCLA: Mid-year meeting scheduled for March 28th to 30th in Denver CO. This was a meeting the State committed to pay for and was incorporated into our budget, but due to the fiscal crisis the State would not pay for the Director to attend. NASCLA agreed to pay for the Director, who is on the Executive Committee to attend;

(5) Expungement: The Board requested that the Executive Director notify all those who have requested expungement of records that a process has been established and we will go forward with this at future meetings. Notice will be sent and matters will be scheduled;

(6) Capitol Police: The Board and Legal Counsel expressed concern regarding the threatening behavior of contractors who have been denied by the Board on appeal. Concerns were expressed as to the public safety in that all telephones have been removed from the conference rooms and with the increase of fines to \$5,000 per offense and fines up to the value of the contract, this type of behavior is becoming more apparent. The Chairman requested that Capitol Police be provided during Administrative Appeal at all Board meetings.

**Unanimously supported by the Board. The Executive Director is to request immediate action regarding this concern;**
